

# *Super Sibs Klub*

## *SIBLING WORKSHOP*

**At UCI Medical Center**  
**101 The City Drive, Orange CA, 92868**  
**Neuropsychiatry Center, Room 101**  
**Every Third Saturday, 9:30 a.m. to 12 p.m.**

### **What is it?**

A fun-filled monthly educational support group that provides peer support and education.

### **For Whom?**

For brothers and sisters of children with special needs and/or a chronic illness, ages 8-12.

### **What are the Goals?**

- To meet other brothers and sisters of children with special needs.
- To discuss common joys and concerns about being a sibling.
- To learn more about the implications of their brothers' and sisters' special needs and how other siblings handle specific situations.

### **Who facilitates Super Sibs?**

Super Sibs Klub at UCI is an interdisciplinary effort between various UCI staff members which include Child Life Specialists, a Registered Nurse, as well as community volunteers including UCI undergraduate students.

**Prior registration is required for participation.**  
**?s Contact Erica (714) 456-5394**

This program is supported with funding from the Children's and Families Commission of Orange County and is implemented as a joint program by UCI and CHOC. The program is designed to enhance services and improve access for high-risk patients' 0-5 years. The program is inclusive of infants with risk factors including but not limited to the existing California Children's Service high-risk infant criteria.
